## CCA Organises HIV and AIDS Awareness Programme in Bhutan

**“This is the first time for me and my friends to attend an awareness building training on HIV and AIDS; it has been very informative for young people of Bhutan. We could understand the seriousness of HIV and AIDS through discussions, games, workshops and other learning processes. I promise to share this awareness information to my friends and to share this information with as many as possible in Bhutan”, said Tsheyang Dema, a young lady from Thimphu, Bhutan, who attended the three-day training programme**

organized by the Christian Conference of Asia  
(CCA) from 17 to 19 August.[Read More](#)
